BOOKING & FAQs

HOW TO BOOK

Following your enquiry I will confirm the show and pricing with you. I will then send you a booking form including all details and my performance fee and travel costs. Bookings must be confirmed and a deposit of 50% must be paid via bank transfer within a week of my proposal or 21 days before the event, whichever is sooner. The remaining sum must be paid 14 days before the event. I may ask for full payment at once to secure short-notice bookings.

COSTUMING

I can perform in a red or black skirt and black blouse or in a red dress with white dots. Have a look at my costumes in my gallery by clicking [here](#). I have had my costumes tailor-made in Seville, the heartland of Flamenco, so you can be sure I will wear the most beautiful and high-quality costumes. I also use authentic Andalusian accessories such as flowers, fans and scarfs. If your event theme requires another colour scheme or you wish for less traditional alternatives, I can source bespoke costuming. This may incur an additional cost, but I will talk you through everything. Just get in touch and we can have a chat about what you have in mind.

PERFORMANCE

My performance will be brimming with passion and drama, excitement and beauty! My show will lend your event a wonderful wow-factor that your guests are sure to love, talk about and remember for years to come. BOOKING & FAQs

DANCES

Get in touch to let me know your event details and requirements and I will send you a private link to the full dances suitable for your event. In the meantime, get an impression of my Flamenco performance for parties and events by clicking [here](#).

PERFORMANCE REQUIREMENTS

I will need a clear performance space of a minimum of 4×4 metres (13×13 feet) and it's important you check with your venue that they are happy for a Flamenco dance to take place on their dance floor. A wooden floor works best, and can be hired at a reasonable cost.

I will arrive at the venue a minimum of one hour before my performance to get ready. I will need a suitable changing space. Please not a toilet ;-), but otherwise it can be any space that's safe, clean, warm, of a reasonable size and not accessible to others.

CANCELLATION

If you have to cancel the performance, the deposit is non-refundable. The second instalment is refundable if cancellation is made up to 2 weeks before the event. In the extremely unlikely event, that I cannot perform, I will refund your payment and do my utmost to find a replacement. I have never had to cancel a performance!
